Mum's a Heroine!

By Bruno Montefusco.

My idol is my brother, because he is my protector and my role model. He always makes laugh.

But he sometimes gets angry with me (like all brothers and sisters).

He is twenty-five years old and he lives on his own.

Fiona Villanueva Rech

My heroine is my mum.

She is 48 years old and works as a vet.

She is my hero because she is always looking after us, solving our problems or helping us with the homework.

She's also very kind, cheerful and patient.

Well, she has to be like this with us because we are always making trouble.

One of the main reasons why I think she is the best is because I sometimes try to compare my mum with other parents and I think she treats us better.

Daniel Moreno Moya isn't my idol but I admire him. He is a man that lives in Sabadell now. He makes Facebook videos giving advice to young people. When he was little, he was a rebel boy and was always in the street. He picked up with a bad crowd and he lived a lot of bad things. Now he wants to give advice to young people because he doesn't want young people to live what he lived and always from the perspective he saw on the streets. Therefore, when he speaks of something, it is because he lived that thing and he can express his own opinions.

(He picked up with a bad crowd= Es va juntar amb gent poc recomanable). [Gimmery Troya Gancho](#)

Caesar: Good night Katniss, it's a pleasure to have you here with us tonight!

Katniss: Good night Caesar. Who'd have thought that I would see you again?

Caesar: Well, I think we all were hoping to see you. How's your life going at these moments? How do you feel about having finished the games?

Katniss: I think that living what I have lived wouldn't be easy for anyone. But I feel good because Peeta is with me now, and I can see Prim's smile. And that's all I need.

Caesar: Oh, that's so beautiful.... How's her? I think we all want to know about that little girl!

Katniss: She is pretty. She has a delicate face like the flower that gives her the name. She has grown up so much since the last time I saw her. I love her more than anything in this world.

Caesar: What about you and Peeta? I heard that you and him are so in love. Isn't that true?

Katniss: We are really in love. I love him and I can't imagine a life without him.

Caesar: Do you have any plans for the future? Maybe something about a wedding...?

Katniss: I just want a quiet life with the people that I love. And no, we still haven't thought about getting married.

Caesar: Okay, we'll wait... (smiling).

Katniss: I know, I know... (smiling).

Caesar: Well, so she is Katniss Everdeen, as lovely as always. Thanks for giving us your valuable time.

Katniss: Good bye, Panem. See you soon Caesar!

Who is your idol?
My idol is...

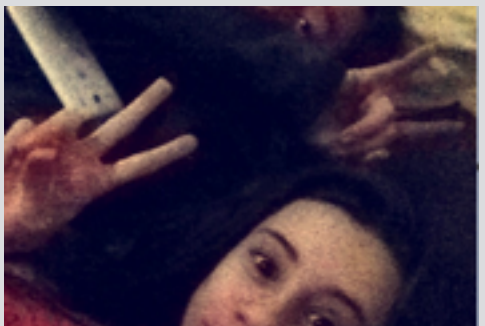

Bruno Mars by Maria Rovira

My idol is Peter Gene Hernández who is known as Bruno Mars. He was born in Hawaii in 1985 and he is 29 years old. He is a singer, an actor and a choreographer.

He is my idol because I like his songs very much. My favorite song is *When I Was Your Name*.

Núria Danot & her uncle

My idol is my uncle Jordi, because he is an independent person. He has a house only for himself. He is thirty five years. He has travelled a lot and doesn't have a partner. He works as a carpenter and he is his own boss. Jordi is very funny. He always makes me laugh and sometimes comes and bothers me. But he's actually a very nice and good person.

David Delgado & Robert Van de Corput

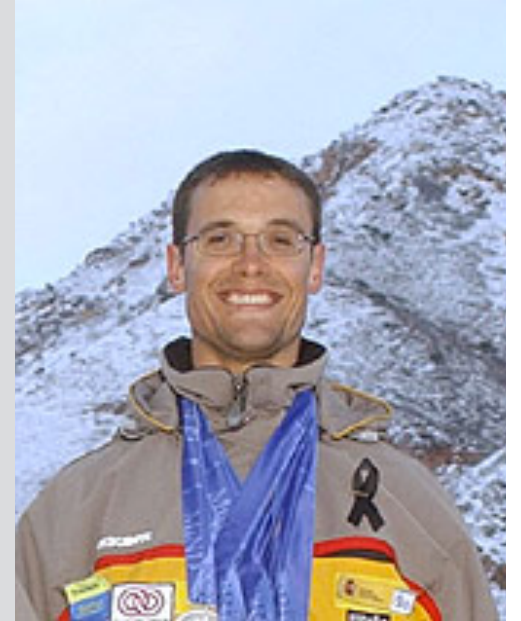

Robbert van de Corput also known as hardwell was born on 7th January of 1988 in Breda. Today he is the best Dj in the world and a great producer. His musical genre is the progressive house and electro house.

Eric Villalón Fuentes by Josep Palmarola

I'm very fortunate to meet my idol every weekend. He is Eric Villalon Fuentes, who has won five Gold medal, three Silvers and a Bronze. He's simply my idol because he is a great person. Every time I meet him he helps me with a lot of things, especially those which are difficult. He helps me to do things better and improve. I respect everything he does and the advices he gives me in every training session.

For me, he is one of the most important people I know. I think that he is a role model who everyone should follow.

Clara Estruch and Emma Watson

My idol is Emma Watson. She is an actress who became famous because of her role on Harry Potter movies. After that, she continued making movies like Noah, the Bling Ring, the Perks of Being a Wallflower...

I admire her because she is now working on a project about equality between men and women. A lot of famous people are adding to her project and posting tweets on the hashtag #heforshe. I think it's an important thing to fight for, because in some places women are still considered inferior to men.

It's not superman! It's superbrother! by Pau Roget

My brother Martí is my hero and my idol because he is the best at everything: basketball, music,...

When he was 16 he went to study in the USA for one year, and then when he was 18 he went back another year.

I think he's awesome. These and a thousand other things make him my hero.

We always fight over everything. He hates when I take his clothes, but deep inside of us, we love each other.

Sandra Ejarque and her supermum!

My idol is my mother because she is the one who cares for me and always helps me. Her name is Cristina and is 45 years. She is very beautiful and she is the best mum. She loves to play tennis!
